We wish to thank and recognize our advisory board, Dean Ellen Aitken and Dr. Gerbern Oegema, for providing support to us amidst our trials and delays. We also thank the administrative staff at the Faculty of Religious Studies: Francesca Maniaci, Deborah McSorley, Samieun Khan, Peggy Roger and Bruna Salhany for their assistance. We thank our reviewers who provided critical feedback to improve our publication, notably we thank Tom Troughton for his assistance in this matter. Last but not least, Shayna and I wish to thank our spouses, Ely Sheinfeld and Julia Wagner, for the gracious assistance they lent to us editing and proof-reading, as well as the accommodations they made in their own work and schedule so that we could spend our time at the *Arc* office putting together the journal.
